PETERSBURG'S OLD 8 PER CENT. RAILROAD BONDS.

Will be Redeemed To-Day—Sale of Hotel Property—A Prisoner Denies That He is Guilty—Verdict Against the City.

PETERSBURG, VA., July 31.—(Special.)—The \$100,000 of the city's old Southside railroad, 8 per cent. bonds, which fall due to-morrow, August 1st, will be redeemed in full on presentation to the City Treasurer, or to the agent of the city, in Baltimore. As has been stated in this correspondence, the city has issued a like amount of 5 per cent. bonds to retire the maturing issue, which have been readily sold at a handsome premium. Of this new issue, \$100,000 were purchased by the Mercantile Trust and Deposit Company, of Baltimore, to which company they were delivered yesterday by Treasurer C. A. Slaughter, and Mr. John B. Evans, register of the water-works. It was decided to send these bonds by private hands, in view of the much higher expense involved in sending them by express.

SALE OF THE SOUTHERN HOTEL. The Southern Hotel, on Bellinbrook street, for a great many years known as the "Tollbrook Hotel," was sold at public auction to-day. The property was purchased by Mrs. Tabitha Lashley, for \$12,000, subject to a deed of trust of \$5,000.

EMPHATICALLY DENIES GUILT. Golde Carroll, the negro who is charged with the murder of an unknown negro tramp, near Waverly, on the 27th of June, is quitted in the jail of this city for safekeeping. He most emphatically denies his guilt, and says that when he was arrested he thought it was because he was a colored man. He was born in Virginia, he passed through Richmond to Petersburg on the 24th of June, slept at night on the roof of the hotel at the corner of the city, and then tramped towards Portsmouth. Notwithstanding the prisoner's denial, the evidence that he did commit the murder, and then added robbery to the crime, is very strong.

PERSONAL AND GENERAL. The family of Mr. W. G. Starr left this morning to spend the summer at Hollins Institute. Dr. Starr will go to New York this week, and on his return will join his family at the Institute.

Ex-Postmaster Graves, of Cray, is still in jail here, having yet been unable to give bail. He is charged with the murder of a negro, and is held in the jail of this city.

CLARENCE, the crack pitcher of the Montgomery (Ala.) team, was signed to-day by the Petersburg club, and is expected here this week.

After a long absence the Farmers will return here to-morrow to play a series of nine games with the three of the city. They will play in new uniforms.

The jury in the suit of W. B. Marks vs. the City of Petersburg for \$3,000 damages, recovered a verdict to-night in favor of the plaintiff for \$1,000.

PROFESSOR JOHN B. MINOR. The funeral yesterday—The Pall-bearers.

CHARLOTTESVILLE, VA., July 31.—The funeral of Professor John B. Minor, took place this afternoon at 3 o'clock from the public hall at the university. There was a very large attendance from the university, and the character of the services was of a high order.

The active pall-bearers were the members of the summer law class. The honorary pall-bearers were the faculty—Professors William M. Thornton, F. J. Dunnington, James H. Gilmore, George Frederick Holmes, F. H. Smith, Ormond Stone, James M. Garnett, William H. Perkins, William H. Echols, R. H. Dabney, W. H. H. Buckmaster, J. W. Mallet, and William G. Christian. Of the officials: F. W. Pace, James B. Baker, Green Peyton, James H. Green, and Dr. W. A. Lambeth. Of the Board of Visitors: Dr. W. C. N. Randolph, W. W. Lear, and Dr. C. D. Dunn. Of old friends: James D. Jones, Colonel Thomas L. Preston, S. V. Southall, Judge William L. Robertson, Lewis T. Hancock, Colonel H. T. W. Duke, Major J. R. Thomas, and Judge John M. Woods. Judge R. T. W. Duke, and Judge John M. Woods.

The services were conducted by the Rev. H. B. Lee, assisted by Bishops Wilmer and Randolph. The body was laid to rest in the University Cemetery. The funeral cortege was probably the most imposing ever witnessed in this section.

EASTERN SHORE.

The Lawyers in the Massey-Pilot Case—Pure Water.

ONANCOCK, July 31.—(Special.)—The verdict of the jury in the Massey-Pilot case has been thoroughly discussed here, and the almost unanimous opinion prevails that the penalty inflicted is very small. It is rather remarkable that of the six lawyers employed in the case, four are natives of the Eastern Shore of Virginia, John Neely and John S. Wise, being from Accomac, and Judge Heaton and Judge T. M. Northampton from St. Michaels. Judge Wise was born in Brazil, while his illustrious father was United States Minister to that country.

It is the opinion of many of the physicians here that the prevalence of bilious dysentery and typhoid-fever in this section is largely due to the use of impure water. Nearly all the wells here are very shallow, but few of them being over twenty feet deep. In many instances these wells are in close proximity to barnyards and other sources of surface contamination. In the opinion of many of the best way to secure a good supply of pure water is to have pumps driven down from fifty to one hundred feet. An experiment has been made on the grounds of the Margaret Academy, where excellent water has been obtained at a depth of fifty feet.

Judge Beverly A. Hancock has just concluded a special term of the Circuit Court of Accomac for Judge Gunter.

METHODIST MINISTER DEAD.

Rev. S. W. Eason Passes Away on the Eastern Shore.

ONANCOCK, Va., July 31.—(Special.)—Rev. S. W. Eason, pastor of the Southern Methodist church at Belhaven, died last night after a brief illness, from bilious dysentery. Mr. Eason was about 35 years old, a graduate of Randolph-Macon College, and one of the most prominent young men in the Virginia conference. About fifteen months ago he married Miss W. N. Nock, of Accomac, who, with an infant, survives him. The funeral services were held to-day at Belhaven, after which the remains were taken to Norfolk, to be interred at the old home of the deceased.

DANVILLE'S QUARANTINE.

It Will Be Rigidly Enforced—Vaccination Measures.

DANVILLE, VA., July 31.—(Special.)—The quarantining by Danville against the county of Patrick, where small-pox is reported, and all the county of Henry west of Martinsville, went into effect to-day. The City Council this evening gave the Mayor, Board of Health, and City Physician full and unlimited power to enforce the quarantine. A resolution was also adopted instructing the Board of Trustees of the public schools to issue an

order forbidding the attendance of school-children at the next session of the school unless they show a certificate from a practicing physician setting forth the fact that they have been successfully or properly vaccinated.

The resolution met with some opposition, one member declaring that he was opposed to the movement; that he had two children, and would not suffer them to be vaccinated, and would keep them away from school.

CONSIDERABLE EXCITEMENT. WINSTON, N. C., July 31.—The small-pox scare in Patrick county, Virginia, near the North Carolina line, is creating considerable excitement. Three cities have quarantined against the infected district. Eight deaths and twenty-one cases are reported to-day. Several citizens are said to be leaving Martinsville and other places near by on account of the disease.

JAMES RIVER ASSOCIATION. Its Sixty-Third Session—Sermon and Addresses.

GOLD HILL, VA., July 31.—(Special.)—The James-River Baptist Association met yesterday in its sixty-third annual session, with Buckhams, moderator of last session, called the body to order, and after the election of officers, was re-elected moderator of this session, Rev. W. C. Foster was re-elected clerk.

The visiting ministers present and invited to preach, were George F. Bagby, of Farmville, Va., and Dr. George H. Sneed, of Fork Union, Va.

Rev. W. E. Wright, of Appomattox county, was expected to preach the inaugural sermon, but on account of the illness of his wife, could not attend the association, and Rev. L. R. Thornhill, alternate, not being on hand, the association invited Dr. George F. Bagby to preach. This he did in a very forcible and eloquent manner.

Mrs. H. C. Royster, of Charlottesville, vice-president of the Ladies' Missionary Society, arrived about 1 o'clock, and is working hard in the interest of the society.

During the afternoon session of the association very able speeches were made in the interest of the Baptist Orphanage, at Salem, Va. The speakers were Dr. C. F. Royster, Rev. Baker Boatwright, and Dr. P. M. Maxey. A collection was taken up for the institution, and quite a nice sum of money obtained.

RAILROAD JOLLIIFICATION. Completion of the Chesapeake and Western to Dayton.

HARRISBURG, PA., July 31.—(Special.)—A great jolliification meeting was held at Dayton to-day, in honor of the completion of the Chesapeake and Western railroad to that point. Five thousand people were present in holiday attire. Every house in Dayton was decorated with flags and bunting in honor of the occasion. The celebration was held at the Hotel Dayton, where the United States District Court, was the center of the occasion. Other speakers of State and local reputation entertained the people with speeches of congratulation.

Preparations had been made to feed the multitude, two brass bands were on hand to join in the welcome, and Dayton hospitality was dispensed with a lavish hand.

Letters were read from Governor O'Connell, Mayor Rowe, of Frederickburg; Mr. R. H. Edmunds, editor of the Manufacturers' Record of Baltimore, and others.

Failure in Norfolk. NOIRPOLK, VA., July 31.—(Special.)—A deed of assignment from H. Clay Pickens, wholesale and retail fancy grocer at No. 41 Market Place, to John G. Tillman, trustee, was admitted to record in the Clerk's office of the City of Norfolk to-day. The deed conveyed to the said trustee all the stocks, fixtures, etc., contained in said store, with instructions to sell the stock at private sale for the benefit of creditors. The failure is due to the depression in business. The assets and liabilities are not stated.

NEW YORK STOCK MARKET.

NEW YORK, July 31.—The early trading at the Stock Exchange was quiet, and the course of prices very irregular.

The American Bond Exchange, the Grangers, and a few other prominent issues were inclined to weakness, but Tennessee Coal, Mississippi and Lead were firm.

In the Grangers considerable stock was sold for account of the newly-formed bond and stock companies, and some liquidating sales in Sugar, attributed to the Warmers. The latter rumor received but little credence in usually well-informed circles.

Efforts were made by the professional traders to bring about a material reaction, and the movement advanced by them was that the upward movement had been carried too far, considering that the yield of the Government bonds was on the belief that the harvest, especially of corn, will be enormous this year. The attempts to dislodge long stock proved futile, however, and in the last hour there was a complete change of front.

Under the leadership of the bond and stock companies, who almost to a man arrayed themselves on the bull side. As a result, business was more active than at any other time of the day, and prices advanced rapidly. The stock market prominent in the late rise were Missouri Pacific, the Grangers, Sugar, Chicago Gas, Tobacco, and Union Pacific.

Missouri Pacific rose 1/4 to 37 1/2; St. Paul 1 1/2 to 32 1/2; Rock Island 2 1/2 to 24; Burlington and Quincy 1 1/2 to 24; Northwest 3/4 to 20; Chicago Gas 1/4 to 2 1/2; Sugar 1/4 to 15 1/2; Tobacco 1/4 to 12; and the remainder of the list 1/4 to 3/4. After advancing to 35 1/
